

## **Guide to Oxfordshire History Centre archive catalogues**

The following pages list the major bodies, businesses, individuals and organisations for which Oxfordshire History Centre holds catalogued collections.

These lists are not exhaustive and do not cover every collection listed in our catalogues. A more comprehensive listing of collections can be searched or browsed via Heritage Search at [www.oxfordshire.gov.uk/heritagesearch](http://www.oxfordshire.gov.uk/heritagesearch) or via [Archives Hub](#).

Some catalogues are not currently available to search via Heritage Search – many can be accessed via the card indexes in the Oxfordshire History Centre searchroom, and a collection list is available at the end of this guide. A number of these collections (indicated with the symbol \*) can be searched on The National Archive's Discovery catalogue: <http://discovery.nationalarchives.gov.uk/browse/r/h/A13532939>

Select uncatalogued Oxford City records and Oxfordshire ecclesiastical parish handlists can be browsed on the OHC [webpages](#).
