The Local Government Pension Scheme (LGPS)

The LGPS is a tax approved, defined benefit, occupational pension scheme with regulations made under the Superannuation Act 1972. In the future scheme regulations will be made under Public Service Pension Schemes Act 2013.

The LGPS is a registered **public service pension scheme** under Chapter 2 of Part 4 of the Finance Act 2004. It achieved automatic registration by virtue of Part 1 of Schedule 36 of that Act (because the scheme was, immediately before 6 April 2006, both a retirement benefits scheme approved under Chapter I of Part XIV of the Income and Corporation Taxes Act 1988 and a relevant statutory scheme under section 611A of that Act). It complies with the relevant provisions of the Pension Schemes Act 1993, the Pensions Act 1995 and the Pensions Act 2004.

The LGPS meets the government's standards under the automatic enrolment provisions of the Pensions Act 2008 and holds a certificate issued by the scheme actuary to certify it satisfies the cost of accruals test.

Oxfordshire County Council Pension Fund, the administering authority, administers the LGPS for employers eligible to be a part of the LGPS. Eligibility is determined in accordance with the Local Government Pension Scheme Regulations 2013.

These Regulations establish a scheme for the payment of pensions and other benefits to or in respect of persons working in local government service, referred to in these Regulations as "the Scheme". The scheme manager, known in the LGPS as the administering authority, is responsible for the local administration of pensions and other benefits payable under these Regulations.
