Dear Carers

We are writing to make sure that you have all the information you need to return to school next week. Lots of your children have been attending school during this last lockdown and some children have been accessing learning from home. From 8th March all children are expected to be attending school and your school should have already sent you information regarding plans to reintegrate all children back into their classrooms.

If you need further information or you are worried about anything related to school attendance, please do contact your Virtual School link and/or social worker. We are all working very closely together to ensure our children return back to classrooms whilst feeling safe and happy.
